

April Edwards

Interim Vice President for Academic Affairs and Dean of the College
Professor of Mathematics and Computer Science
Ursinus College, Collegeville, PA

april.edwards@ursinus.edu

484-744-0108

Professional Summary

- Four years of academic administrative experience
- Chaired the faculty governance committee for 7+ years
- Strong commitment to the liberal arts
- Founded the entrepreneurship center at Ursinus College
- Experienced and effective fundraiser (corporate, foundation, government and private donors)
- Collaborative and creative problem solver with excellent oral and written communication skills
- Experienced negotiator, in both formal and informal settings, with the ability to listen to all parties and lead the development of a solution that is embraced by all
- Fifteen years of full-time teaching experience
- Internationally recognized researcher in data science
- Thirteen years of industrial experience
- PhD in Computer Science and Engineering
- Graduate of the Management Development Program from the Harvard Graduate School of Education

Academic Administrative Appointments

Ursinus College

Interim Vice President for Academic Affairs and Dean of the College *April 2016 – Present*

- Strategic plan development, implementation, and assessment
- Liaison for the Academic Affairs Committee for the Board of Trustees
- Oversee all academic components of the institution, including over 60 programs of study
- Management of faculty hiring, professional development, and promotion and tenure processes
- Management of strategic initiatives, including development of a new \$29.2 million interdisciplinary science building, a new curricular program in Philadelphia, and a new general education curriculum
- Oversee library and information technology, registrar, international programs, career and professional development, civic engagement, teaching and learning institute, center for writing and speaking, office of sustainability, and three interdisciplinary centers.
- Dotted line reporting oversight of the Executive Director of External Relations, responsible for Corporate, Foundation, and Government funding. Significantly increased faculty submissions for extramural funding across all disciplines, as well as awards received.
- Total organization size: approximately 130 full-time faculty, 50 part-time faculty, 45 staff
- Maintain faculty to student ratio of 12:1
- Cultivation and stewardship of major gifts
- Develop strategic partnerships with other institutions
- Ongoing communication with internal and external stakeholders at multiple levels
- Manage salary and operational budget totaling \$20 million

Associate Dean

January 2016 – March 2016

- Oversee faculty development, arts and lectures, and curriculum committees
- Work with department chairs to coordinate course scheduling and staffing
- Develop more efficient office policies and practices
- Coordinate department and program reviews

- Dean's office liaison with advancement for grant funding and other initiatives
- Coordinate Pennsylvania Consortium for the Liberal Arts activities

Founding Co-Director U-Imagine Center for Integrative and Entrepreneurial Studies

September 2012 – December 2016

- Developed center concept, recruited co-directors from disparate fields, and guided the center through the college's approval process
- Cultivation and stewardship of major gifts
- Development and management of Center programs, which are focused on the development of an entrepreneurial mindset in students from all majors and at all levels
- Strategic planning for Center growth, including educating faculty on the value of the entrepreneurial mindset and its close alignment with liberal arts principles

Chair, Department of Mathematics and Computer Science

July 2014 – March 2016

- Hiring for tenure-track, continuing, visiting, and adjunct positions
- Led the revision of departmental learning goals and curricular development initiatives
- Manage direct and indirect assessment activities
- Annual evaluation of all department faculty (9 full time and up to 6 adjunct faculty)
- Chair review committees for pre-tenure faculty
- Course scheduling and staffing
- Mentoring and supervision of faculty, staff and students
- Manage departmental budget

Other Administrative and Professional Experience

Electronic Data Systems

July 1986 – August 1999

Software Development Center Manager

- Direct management and supervision for 35 direct reports at multiple levels
- Performance review, salary management, training, promotion review
- New business development and sales support
- Mentoring and support of employees
- Manage annual salary budget of \$2.6 million

Project Lead

- Multiple projects with timespans from 3 – 15 months
- Team sizes ranging from 3 – 12 software engineers at multiple levels
- Planning and assigning work
- Direct customer communication
- Mentoring and support of project team members

Software Engineer

- Software design, development, testing, implementation and maintenance
- Database administration

Significant Community Leadership Experience

School Director, Pottsgrove School District, Pottstown PA

December 2003 – November 2011

- Twice elected by community as one of nine school directors (did not run for a third term)
- Management and oversight of all school activities, including program and facility improvements

- Management and oversight of \$50 million budget
- Budget allocation, review and approval, including tax rate assessment

Partial List of College-Wide Service Activities

Faculty Governance Committee, Ursinus College

Chair 2006 – 2011; Fall 2012 – December 2015

- Coordination with administration on all faculty governance issues
- Faculty liaison to the Board of Trustees
- Oversight of a major revision to the Faculty Handbook
- Management and oversight of the faculty election process

Promotion and Tenure Committee, Ursinus College

Science Representative Fall 2014 – December 2015

- Review of evaluation packets from all departments, including initial review (2nd year), pre-tenure review (4th year), tenure review, and promotion review
- Make recommendations to the Dean and President regarding tenure and promotion decisions

Presidential Search Committee, Ursinus College

Faculty Representative 2010 – 2011; 2014 – 2015

- Twice elected by colleagues to represent the faculty
- Work with full committee consisting of trustees, faculty members, staff and students, to review and interview candidates
- Make recommendation for appointment to the Board of Trustees

Appointments

Department of Mathematics and Computer Science, Ursinus College

Professor June 2015 – Present

Associate Professor September 2009 – May 2015

Assistant Professor September 2003 – August 2009

Courses taught: Introduction to Computer Science, Data Structures, Object-oriented Design and Software Engineering, Database Design, Principles of Programming Languages, Parallel Algorithms and Computing, Information Retrieval, Data Mining, Artificial Intelligence, Computer Science for the Liberal Arts, Computer Architecture and Organization, and Operating Systems, Computer Graphic, Calculus for Business and Economics, Statistics 1, Statistical Reasoning, Mobile Applications Development

Department-level service activities: Chairing and participating in search committees; Chairing and participating in curriculum review committees; participation on faculty review committees; mentoring student research and independent studies; overseeing student internships; advising student groups; major advising

Department of Business and Computer Science, Montgomery County Community College

Instructor August 1999 – August 2003

Courses taught: Computer Information Systems for Management, Computer Science I (Programming Concepts), Computer Science II (Data Structures and Algorithms), Design Making using Spreadsheets, Database Management Systems with SQL.

Department-level service activities: Search committees, curriculum review committees

Education

Ph.D. in Computer Science, Lehigh University	January 2004
M.A. in Mathematics, Duke University	May 1986
B.A. in Mathematics, Bloomsburg University	May 1984
Certificate of Completion, Management Development Program, Harvard Graduate School of Education	June 2015

Foundation and Government Funding

- Principal Investigator, NSF award (\$349,160), An Analysis of the Relationship Between Cyberaggression and Self-Disclosure among Diverse Youths, with Co-PI, Dr. Lynne Edwards, 09/01/2014 – present.
- Principal Investigator, NSF award (\$50,000), I-Corps: Exploring the Commercialization Potential of ChatCoder, 09/01/2014 – present.
- Principal Investigator, NSF award (\$498,428), Research at Undergraduate Institutions: Tracking Predators and Bullies Via Chat Log Transcripts, with Co-PI, Dr. Lynne Edwards and Senior Investigator, Dr. Brian Davison (Lehigh University), 09/01/2009 – 09/01/2013.
- Co-Principal Investigator, NSF award (\$218,256), Research Experiences for Undergraduates Site: Mathematical Sciences at Ursinus College - A Broad Spectrum of Opportunities, with PI, Dr. Mohammed Yahdi, 04/15/2010 – 4/15/2015.
- Principal Investigator, VentureWell (\$7845), U-Imagine Center: Planning for IMPACT. 08/01/2015-07/31/2016.
