Content Score (1-5): _____

A talk earning a score of 5 makes crystal clear how the experimental work and analysis lead to the results. The significance of the work is explained. The talk is accurate, focused on relevant material and well aimed at the intended audience. Weaknesses in the work are spelled out and a sensible plan for future work is presented.

Comments:

Delivery Score (1-5): _____

A talk earning a score of 5 is delivered clearly and is well organized in a logical progression. The speaker engages and holds the interest of the audience. Slides are used effectively. Reasonable questions from the audience are handled well.

Comments:

Visuals Score (1-5): _____

Visuals earning a score of 5 convey information effectively. They are uncluttered, containing no unnecessary components. Text is used sparingly. Layout, fonts, and color enhance readability. Quantitative data are presented with units, and the axes of graphs are labeled.
