

NATIONAL CHEMISTRY WEEK

October 17-23, 2004

Dear Science Teacher,

This is a National Poster Contest in celebration of National Chemistry Week and is an annual event of the American Chemical Society. Therefore, if your address is incorrect or there is a better address for your school, we would appreciate if you would tell us. You can either call the phone number or write to the address listed below.

To receive your participation certificates this year, please complete the following form and bring it with your posters to your county drop off location. You will receive your certificates at that time. Call Dr. Thomas Straub 215-951-1263 (straub@lasalle.edu) in the Department of Chemistry and Biochemistry at La Salle University, 1900 W. Olney Ave., Philadelphia, PA 19141, with any questions.

Name (teacher) _____

School _____
